

ANNUAL REPORT 2017-2018

The school was established fifteen years ago with the great vision of quality education. It has been functioning with an unyielding and uncompromising pursuit to achieve this vision. We have Euro kids to class XII functioning with all glory. Let us seek the blessings of the almighty that this institution will continue to attain greater heights and glory and be the best in the educational sector.

EUROKIDS

Learning at Euro Kids happens through experience and reflection on doing. With Buddy, your child experiences quality education and learns to explore and enjoy the surroundings. The integrated use of scientifically designed games, toys and technology makes learning a lot more fun and engaging.

At Euro Kids, we are redefining early child care education with focus on providing a fun based learning environment. Keeping the 'Child First' ideology at the core of our pedagogy, we ensure their development, safety and engagement needs are met in a home like environment as they Play, Learn & Grow and imbibe essential life skills.

A quick review of the achievements of the year

We give importance in moulding the character of the children and in bringing them up as good human beings by keeping our feet firm on the culture and heritage of our country. We believe that each child is a promise and a possibility. Our 10th and 12th standard students secured excellent results.

This academic year started with environmental week celebration from 1st June to 5th June. Students prepared placards, charts, quotes, essays, poems etc. on how to protect and preserve our environment. On 5th June Fr.Jison Paul Vengachery delivered a message to the students on the importance of protecting our environment. Saplings were planted by our chairperson Mrs.Toshma Biju Varghese and the students in the school premises.

June 21st was celebrated as world yoga day and June 26th was observed as International Anti Drugs Day. The students were given an awareness talk on use and abuse of drugs. Orientation Classes to teachers were given by Fr.Jison Paul Vengachery, Mr.Sebastian Joseph, Mr.Alexander Saju, Mr.Milan and Adv.Abraham Chettisery on various occasions. Students were given awareness classes by Bodhini a group volunteering to take classes on online cyber abuse. Career guidance and Psychological evaluations were conducted by a group of psychologists under the guidance of the famous psychologist Mr.Vijayakumar.

This year on 3rd, 4th and 5th October Mangalam was blessed to organize the Kottayam Sahodaya Youth festival Sargasangamam. Where all the 120 schools of Kottayam Sahodaya participated. Almost 7000 students participated in various events. The programme was a great success and it added another golden feather to the crown of Mangalam. The Sargasangamam was inaugurated by the famous film actress Manju Warriar. She was accompanied by the Udaharanam Sujatha team whose presence also blessed the occasion. The valedictory function of Sargasangamam was inaugurated by the vibrant film actor Sri Padmasree Jayaram. The famous director Mr.Abrid Shine graced both the occasions.

Open House

To help the children flourish in their academics, teachers establish a rapport with parents. For this an open house system has been introduced. This has helped the parents and teachers a lot to have greater insights into their wards. One to one parent teacher interaction is our highlight.

Co- Curricular Activities

Our School aims not only at imparting knowledge but it also underscores the all round development of the students. Co curricular activities are meticulously planned in advance and are conducted in such a way that the deserving students are not deprived of opportunities to hone their skills.

The school organized its Arts Festival on 28th July 2017. The winners of Arts Festival took part in the Sahodaya youth festival held at Mangalam Group of Institutions and bagged 'A' Grades in various individual items and Mime. We are proud to announce that we bagged first place for One act play and third place for Oppana in Sargasangamam and fourth place in One act play at State Youth Festival conducted at IES public school chittilappilly. This is a great achievement for our school.

Onam was celebrated in its traditional way. It was a feast to the eyes of all the viewers. All students enjoyed Athapookalam, Pulikali, Thiruvathira, Onapattu and so on.

All important days like Independence Day , Children's Day , Gandhi Jayanthi etc. were celebrated in the school with due respect. Different activities were also organised so that the children could understand their roles as the future citizens of the society.

Acknowledgement

We acknowledge in all sincerity the support of parents and well wishers. I recall with tremendous appreciation the initiative and Co operation of the parents in this academic year by offering a helping hand in all endeavors.

This institution stands at the pinnacle of glory and greatness only because of the contributions of ardent, fervent and dedicated efforts and guidance given to us by Mr.Biju Varghese, Chairman Mangalam Group of Institutions and Mrs.Toshma Biju Varghese Chairperson of Mangalam group of Institution.

A teacher effects eternity. What teachers do is at the heart of learning. They are role models and mentors of the young learners. As Calvin Coolidge has said “Teaching is one of the noblest of all professions. It requires an adequate preparation and training, patience, devotion and a deep sense of responsibility. Those who mold the human mind have wrought not for time, but for eternity“. Let me salute my teachers who are doing an excellent job by quoting the words of A P J Abdul Kalam” Teachers, are the backbone of any country, the pillar upon which all aspirations are converted into realities”.

The non teaching staff also contributes a lot for the overall development of the institution. I remember them with all gratitude and respect on this occasion. Let me take this opportunity to express my sincere thanks to all our distinguished guests by gracing the occasion with their valuable presence. Honestly speaking, I am proud of every student of Mangalam for they are unique in every respect.

We, the Mangalam group express our sincere thanks and heartfelt gratitude to all our students, old students, parents, well-wishes and patrons without whose help and guidance, we would not have attained the heights in standard of education and worth emulating locality through quality education. We seek the blessings from almighty to help and guide us in future also in the right direction. My best wishes and regards to each one of you, today and during the days to come.

Thank You
